HERE'S LOOKING AT YOU!

"The Future's so Bright, I Gotta Wear Shades"
by Jimbuk 3

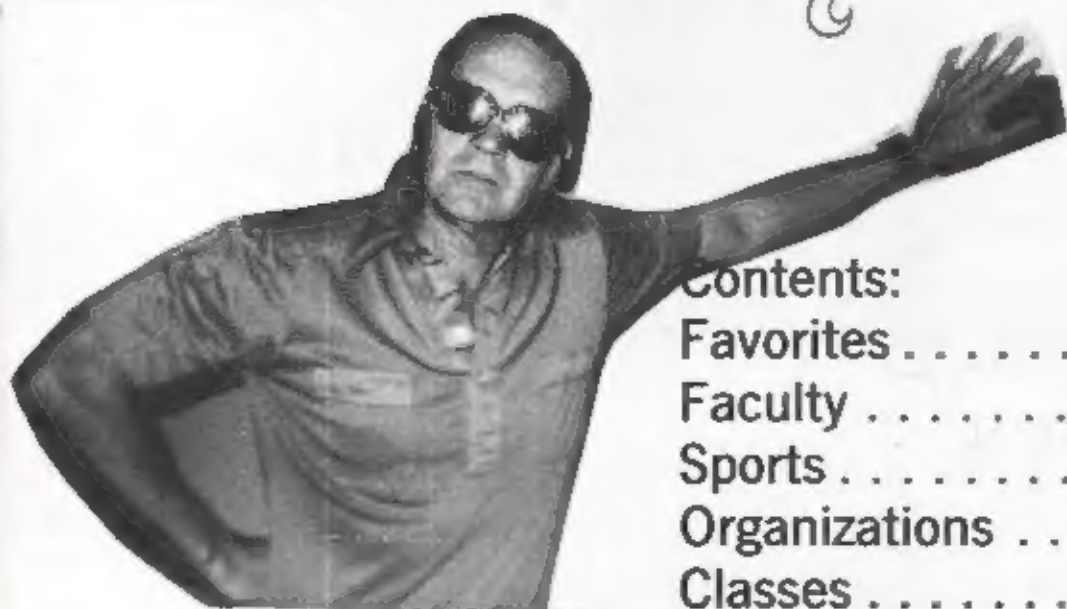

I study 'nuclear' science,
I love my classes,
I gotta crazy teacher,
He wears dark glasses.

...
Things are going great
And they're only gettin' better!
I'm doing all right,
Gettin' good grades,
The future's so bright,
I gotta wear shades -
Gotta wear shades!

OPPORTUNITY

They do me wrong who say I come no more
When once I knock and fail to find you in;
For everyday I stand outside your door,
And bid you wake, and rise to fight and win.

Wail not for precious chances passed away!
Weep not for golden ages on the wane.
Each night I burn the records of the day,
At sunrise every soul is born again.

Though deep in mire, wring not your hands and weep.
I lend my arm to all who say, "I can!"
No shamefaced outcast ever sank so deep
But yet might rise and be again a man!

Walter Malone

M.H.S. RESOURCE CENTER

Resources for assisting in the learning process give the RESOURCE CENTER its name. Today, the word "library" (a place for books) is too limiting. The MHS RESOURCE CENTER not only keeps books but also houses a 30 year collection of magazines (many on microfiche), 18 file drawers of valuable clippings on a wide variety of subjects and a sizeable collection of A-V material which includes video tapes. This year an Apple IIe computer was added to help keep pace with the times.

Hard work in progress . . . This is a scene that is repeated many, many times during the year as students come to the RESOURCE CENTER to do research on various topics in a curriculum-wide range of subject areas. Mrs. Heath and Mrs. Dunlap, along with student library helpers, are kept busy assisting them as well as working behind the scene to order, process and maintain the collection.

Sandra Wier's specialty was shelving books carefully and keeping our circulation records which reveal some interesting statistics:

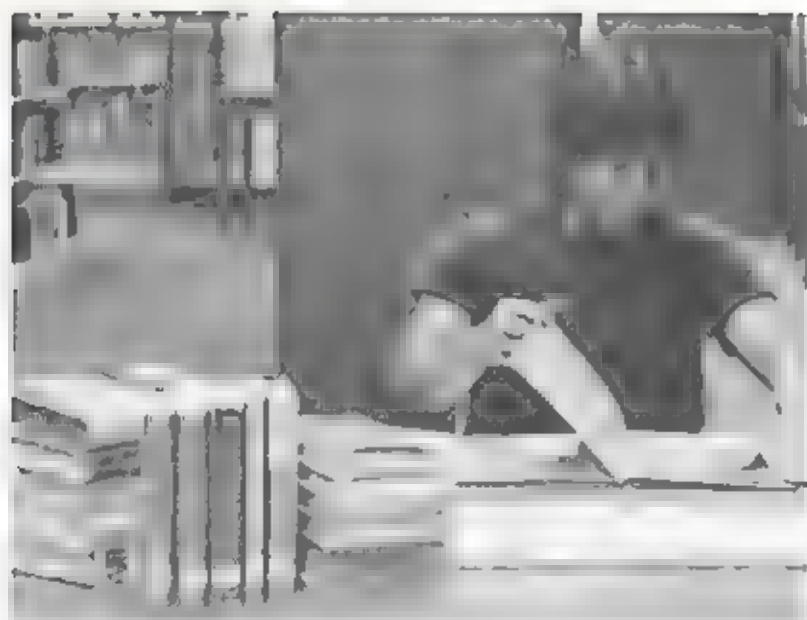

A-V viewers—8,174; Classroom Collection books that circulated numbered 2,801; books from the general collection that were in use numbered 10,914; magazines used, 2,425; vertical file folders used amounted to 1,538.

Tessie Tavarez helpfully assisted with vertical file material and magazines.

Mrs. Elizabeth Heath, head of RESOURCE CENTER services.

Jim Pralle worked especially well at the time-consuming chore of putting plastic covers on books.

Leanda Shaffer was magazine clerk and ably handled our 65 magazine subscriptions.

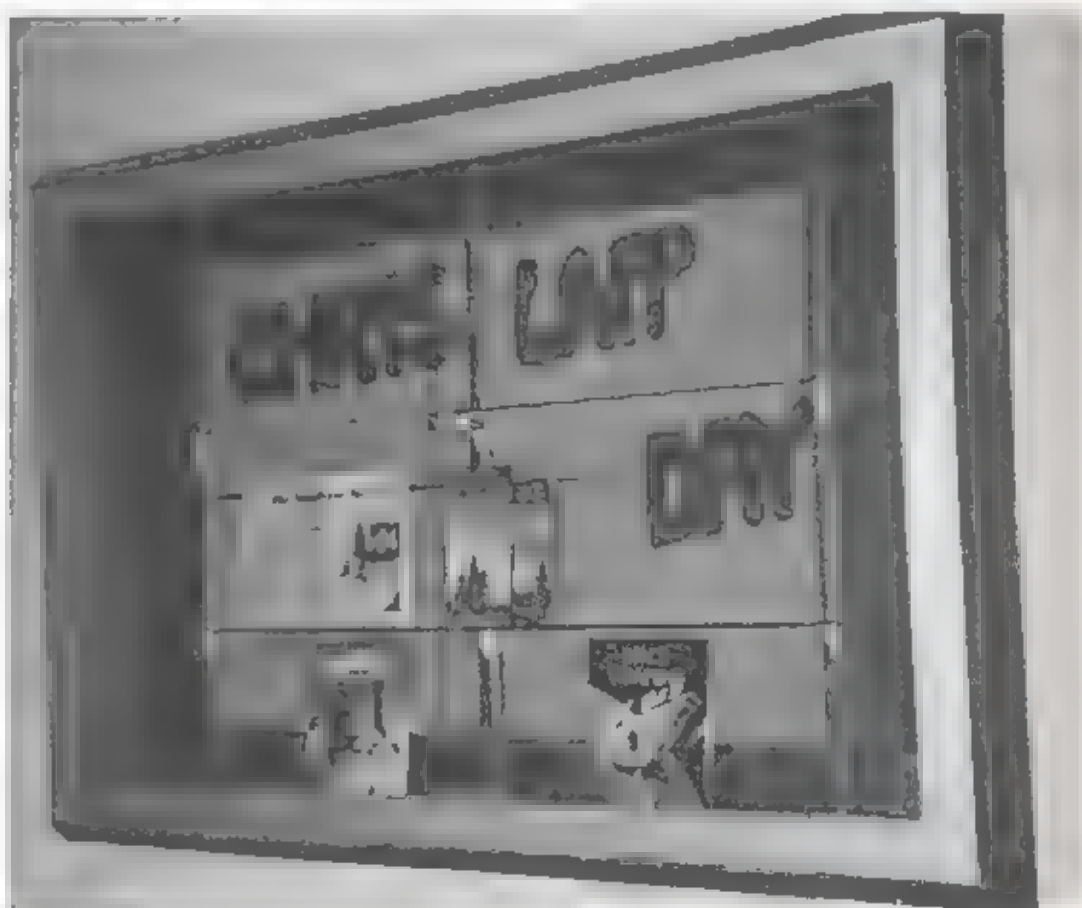

Stephen Hightower helped with equipment deliveries and "specialized" in dry mounting and laminating.

Mrs. Cox was one of the teachers who shared the versatility of our new computer. It averages grades as well as making book lists. Its future in the RESOURCE CENTER is bright and challenging.

Mrs. Janette Dunlap, certified RESOURCE CENTER staff member.

The Seniors!

Seniors are cool!

Here's lookin' at you!

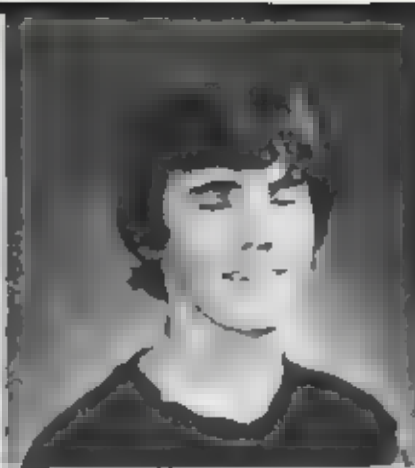

A dense, repeating pattern of the words "CLASSIC" and "ASSIST" in a stylized, overlapping font, creating a textured background. The words are arranged in a way that they appear to be part of a larger, continuous design, with some letters and words partially obscured by others. The overall effect is a complex, geometric pattern that fills the entire frame.
